

WE'RE STILL HERE

AND HARD AT WORK

Just because you haven't seen us doesn't mean we're not here, hard at work.

This is just a reminder that we're here, both online and in branch, to provide you with the financial products and services that you need.

To learn more, stop by your local branch, visit us online at [www.usecreditunion.com](http://www.usecreditunion.com), or call us at 713-595-3400.

## THERE COULD BE CASH IN YOUR CAR

Auto loan rates are at an all-time low. Which means that now is the perfect time to consider refinancing that loan and, perhaps, get some cash out of your car. You could lower your monthly payment or, at our lower interest rate, save some money over the life of your loan.

To learn more about our low interest loans and the refinancing process, visit your local USE Credit Union branch and speak with a loan officer, call us at 713-595-3400, or visit us online at [www.usecreditunion.com](http://www.usecreditunion.com)
